Coach Pitch

Playing Rules

These rules are specific to Clinton Valley Little League or are here for clarification purposes.

They are not a replacement but are a supplement to the 2025 Official Little League Rulebook.

At the Coach Pitch Division level of play the objective of each game shall be to provide instruction and equal playing time to all players.

1. Home Team Responsibilities:

The home team is responsible for the field set up before each game (**Please see field set up sheet in lock box**), and conditioning the field after each game & practice. This includes putting out/away bases, raking and/or dragging the infield and LOCKING the boxes before you leave. The visiting team is expected to assist the home team. Both teams are responsible for cleaning up dugouts; garbage must be IN the can & not left loosely in the dugout. Failure to do so will result in reduced privileges of the field & equipment; and any equipment lost due to unlocked boxes will be replaced by the home team manager. The home team is also responsible for adding the score to the website.

2. Minimum Participation Requirement:

- A. No player can sit on the bench defensively more than 1 inning (3 outs) unless all players have sat on bench defensively 1 inning (3 outs).

Ten (10) players will play each inning defensively, 5 infielders, 4 outfielders, and a catcher. **Outfielders must be positioned on the grass not the dirt.**

3. Substitution Rules:

- A. A Continuous Batting order shall be used for all games, meaning every player present for the game will bat when it is their turn in the batting order regardless if they are in the game defensively.
- B. Unlimited defensive substitutions: Any player on the team can be entered as a defensive substitution at any time but will remain in the same position in the batting order.
- C. If a player leaves the game for any reason and their spot comes up in the batting order, they will simply be skipped over that time and any other time they miss. If the player returns, the player will assume the same place in the batting order.
