

# **2025 CVLL Minor Division Playing Rules**

**These rules are specific to Clinton Valley Little League or are here for clarification purposes. They are not a replacement but are a supplement to the 2025 Official Little League Rulebook.**

## **1. Home Team Responsibilities:**

The home team is responsible for the field set up before each game and conditioning the field after each game & practice. This includes putting out/away bases, raking and/or dragging the infield and LOCKING the boxes before you leave. The visiting team is expected to assist the home team. Both teams are responsible for cleaning up dugouts; garbage must be IN the can & not left loosely in the dugout. Failure to do so will result in reduced privileges of the field & equipment; and any equipment lost due to unlocked boxes will be replaced by the home team manager. The home team is also responsible for entering the game score into the website.

## **2. Minimum Participation Requirement:**

- A. No player can sit on the bench defensively more than 1 inning (3 outs) unless all players have sat on bench defensively 1 inning (3 outs), except a starting pitcher who is pitching and still within their pitch count. Starting Pitcher must sit for remainder of the inning after being removed from pitcher if everyone else has sat already.
- B. No player can sit on the bench defensively more than 2 innings (6 outs) unless all players have sat on bench defensively 2 innings (6 outs).
- C. Every player must play at least 1 inning at an infield position. Any player not meeting the minimum requirements due to the game being shortened because of weather or time limit must start defensively the next scheduled game.

## **3. Substitution Rules:**

- A. A Continuous Batting order shall be used for all games, meaning every player present for the game will bat when it is their turn in the batting order regardless if they are in the game defensively.

- B. Unlimited defensive substitutions: Any player on the team can be entered as a defensive substitution at any time but will remain in the same position in the batting order.
- C. A pitcher that was removed from the pitching position cannot return as a pitcher later in the game.
- D. If a player leaves the game for any reason and their spot comes up in the batting order they will simply be skipped over that time and any other time they miss. If the player returns, the player will assume the same place in the batting order.
- E. Any player who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that game and any other game on that day.
- F. Any Player that has played the position of catcher 4 or more innings in a game is not eligible to pitch on that calendar day. If you catch one pitch it is considered a full inning.
- G. No courtesy runners or special pinch runners will be allowed with the exception of the "last out" running for the catcher.

#### **4. Infield Fly Rule:**

- A. The Infield Fly Rule is as follows: with runners on 1st and 2nd OR the bases loaded with less than 2 outs, the batter pops up a ball that can be caught with ordinary effort. Ordinary Effort meaning that if a fielder has to sprint or dive to get to the ball, it would not be considered an Infield Fly. This is the umpire's judgment.
- B. A ball that lands or is caught in foul territory is not an Infield Fly.
- C. When the umpire declares an Infield Fly, the ball remains live. Runners can advance at their own risk. If the ball is caught runners must tag up before advancing as with any other caught ball. If the ball is not caught the runners do not have to tag up to advance.
- D. A line drive or a short, low pop up is not an Infield Fly.
- E. An infield fly can be called on a pop up that is in the shallow outfield, but again only if it can be caught with ordinary effort in the judgment of the umpire.

#### **5. Borrowing of Players:**

- A. Teams will be allowed to have not less than 8 but not more than 10 players defensively.
- B. If a team cannot field 9 players, the opposing team should lend players to the other team for fielding purposes only. The last out(s) from the previous half inning MUST take the field until the end of the inning or if their spot in the order comes up.
- C. Teams are also allowed to borrow players from other teams from the Coach Pitch or Minor Divisions only, if they know they are going to be short players prior to a game. When borrowing a player, team managers should seek borrowed players from teams who are not scheduled to play on the day in question. Any player that is borrowed from another team MUST wear their original team uniform.
- D. Teams may borrow enough players to field a team defensively plus one additional player. Although when doing so all players on the normal team roster must play more defensively than any borrowed player.

- E. Borrowed players may only play in the outfield and must bat last in the lineup.
- F. Players MAY NOT be borrowed during playoffs.
